Veillez écrire un court résumé expliquant pourquoi vous désirez vous impliquer auprès de l'association. Please write a short text explaining your reasons for volunteering in the association.

I would like to volunteer to the association to help make the minor hockey experience for families a balanced and enjoyable experience that provides children with the opportunity to learn and develop skills on and off the ice that will serve them for the balance of their lives. I feel I have strong organizational skills a good understanding of hockey and can offer leadership to help all members of the association. I'm aware of the time commitment required and am willing to put that effort in.
